

RESOL press release

Hattingen, 05 March 2013

Highly decorated – the DeltaSol® SL

The DeltaSol® SL – the first controller from RESOL's new series of the same name – has just been honoured with the coveted **Plus X Award** in the categories **High Quality**, **Ease of Use** and **Functionality**. Every year, the Plus X Award jury selects innovative and future-oriented products that possess "Plus X" factors – the special values of a product. Thus, the award is a seal of quality for true brand strength.

Let us convince you of the award-winning Plus X factors of the DeltaSol® SL:

High Quality

- TÜV-certified Germany-based manufacturing
- 100 % quality control for an optimum reliability

Ease of Use

- Intuitive through the new operating concept with the Lightwheel® adjustment dial
- Micro buttons for the quick access to the manual mode and holiday function menus
- Comprehensive display for a quick and easy overview

Functionality

- Function control according to VDI 2169
- Multi-coloured control LED for extensive status visualisation

Further information about the the DeltaSol® SL and the large RESOL product portfolio can be found at www.resol.com
