

RESOL press release

Hattingen, 28 May 2014

The DeltaSol® SLT – intuitive and polyglot

The DeltaSol® SLT effortlessly controls even complex systems. 27 pre-configured system layouts with numerous pre-programmed optional functions such as thermal disinfection or zone loading enable adaptation to the individual system requirements.

For the intuitive full-text menu of the SLT, the user can now tap into a choice of 17 menu languages. Thus, a full dozen has been added to the standard languages German, English, French, Italian and Spanish:

- Bulgarian
- Croatian
- Czech
- Dutch
- Finnish
- Hungarian
- Polish
- Portuguese
- Romanian
- Russian
- Swedish
- Turkish

The LAN interface and the mini-USB connection make direct communication to a PC or network possible, the integrated microSD card slot enables data logging, transferring and storing settings as well as running firmware updates.

Further information about the DeltaSol® SLT and the large RESOL product portfolio can be found at www.resol.com
